Office of
Bush Hill Iron Works
Philadelphia, Feby. 19th 1886

Samuel James Esq,
U.S. Mint

Dear sir:-

In answer to your inquiry of this morning I make the following proposal. I will agree to furnish and deliver at U.S. Mint in this city two (2) chilled chaser rolls eighteen (18) inches diam. by six and seven eighths (6 7/8") inches on face bored out in center for a four and one half (4 1/2") inches diameter shaft, and to have recesses cut in them for friction rolls, for which you will furnish template, also one (1) chilled plate thirty (30) inches diam. by three quarters (3/4") inches thick, all the forgoing for the sum of one hundred and seventy five dollars ($175.00/100) cash. Soliciting your order I remain,

Very truly Yours
James Moore
per. H.W. Moore.

I return your sketch herewith.)
